Re: Sportsplex USA Poway

To Whom It May Concern:

As Mayor of the City of Poway, it is my pleasure to recommend Sportsplex USA as a top-notch sports facility.

Poway is proud to be a family-friendly community that offers a wide variety of recreational opportunities for residents and visitors. Sportsplex is an excellent addition to our public parks and to the sports programs offered by the City and by Poway Unified School District. The facility, which offers a wide variety of activities, is well maintained and supervised.

Just as important as the facility and the activities it offers, the management and staff of Sportsplex are conscientious, responsive and reliable. They are happy to work with residents, with City staff, and with the school district to ensure that our community is served to the fullest. Sportsplex does not replace other programs, but complements available sports activities and fills an important niche for our local youth as well as adults.

Very truly yours,
