To Whom It May Concern,

Sportsplex USA of Santee opened its doors in June of 2010 and has been a welcome addition to our city. The management team of Sportsplex USA is committed to the community and is happy to give back whenever asked. We have hosted numerous Chamber events at Sportsplex USA and are impressed each time.

In just two years the Sportsplex USA facility has become a major economic generator, a valuable community asset and the envy of surrounding cities. The weekend events bring hundreds of visitors to our local stores and restaurants and have provided a sizable boost to our local economy.

The Santee Chamber is proud to have such professional and profitable business like Sportsplex USA in our community and look forward to many years of success.

Sincerely,
